(Filed February 21, 2003)

AMENDED ADMINISTRATIVE LAW JUDGE'S RULING

On November 13, 2003 an Administrative Law Judge ruling went out without attachments. This is an amended ruling with the attachments.

In support of the decision making process, the Energy Division (ED) of the California Public Utilities Commission initiated data requests to SFPP. In response to the data requests, ED received documentation from SFPP that might be used for cross-examination purposes at the evidentiary hearing scheduled for December 9 through 12, 2003, and may be introduced into evidence. Attached to this ruling are copies of the SFPP data responses.

If any party has an objection to these data responses being used at the hearing or received into evidence, the party may object in writing by December 1, 2003. The objection should be served on the service list, but not filed with the docket office.

Dated November 14, 2003, at San Francisco, California.
